GRAVITY CANDLE – The höfats lantern delights with a cardanically suspended candle – no matter in which direction the lantern is twisted, the candle always remains perpendicular due to gravity. Wax splashes when blowing out a candle are a thing of the past – the GRAVITY CANDLE simply is turned around and extinguishes. Already when lighting the candle, the mechanism is extremely useful – slightly tilt the lantern to the side and light the candle without burning yourself or having to remove the glass tube.

Be it on the table, in hanging position (thanks to accessories) or on a rod – the GRAVITY CANDLE with its atmospheric candlelight turns your favourite spot into a magical place both indoors and outdoors. You can subsequently extinguish the GRAVITY CANDLE in any position by simply turning it around – and what is best: in reverse position, the GRAVITY CANDLE is perfectly protected against the weather for neither rain nor leaves can reach its interior.

- ☆ lantern with a special (cardanically) pivoted candle
- candle always remaining perpendicular due to gravity
- comfortable lighting
- safe and secure extinguishing of the flame
- protected against leaves, water and dust in reverse position
- optional accessories: suspension, foot stand, pole

📏 **GRAVITY CANDLE**
Ø 8 cm, 13 cm height, 0,6 kg | gross Ø 10 cm, 15,5 cm height, 0,7 kg
Art-No 080102, EAN 4260447330566, HS Code 83062900

GRAVITY CANDLE HANGER – thanks to the optional hanging solution, the GRAVITY CANDLE can be hung up as well. The assembly is incredibly simple: pull off the glass tube, plug on the ring together with the bracket and put on the glass tube again. Also in this position, the lantern can be easily turned around, extinguishes and is protected against the weather.

- ☆ lantern hanging solution
- incl. additional hanging rope (200 mm)
- hanging up also possible without rope, e.g. with a nail
- stainless steel, brushed

📏 Ø 8 cm, 17 cm height, 0,1 kg | gross 18×10×3 cm, 0,1 kg
Art-No 080201, EAN 4260447330597, HS Code 73269098

GRAVITY CANDLE POLE – by means of this pole, the GRAVITY CANDLE can be placed everywhere in the garden, even in a flowerpot. The GRAVITY CANDLE simply is placed on the bowl of the pole and can be easily turned around, extinguishes and is protected against the weather also in this position.

- ☆ secure stand
- massive stainless steel, brushed
- extensible due to foot stand to a free-standing lamp
- 6 elements: 4 x 30 cm poles + bowl + head (useable as earthing)

📏 120 cm height, 0,5 kg | gross 32×8×4 cm, 0,5 kg
Art-No 080301, EAN 4260447330603, HS Code 73269098

GRAVITY CANDLE FOOT – if the pole shall be free-standing, this massive base plate is mounted.

- ☆ foot stand for the GRAVITY CANDLE pole
- massive stainless steel, polished
- secure stand

📏 Ø 16,5 cm, 8 mm thickness, 1,4 kg | gross 20×20×2 cm, 1,4 kg
Art-No 080501, EAN 4260447330610, HS Code 73269098
