PVD COATED

POWDER COATED

perfect for almost any
stick candle (Ø 20-24 mm)

stable stand &
easy cleaning

flexibly adaptable to
individual needs and
occasions

SQUARE CANDLE – Everything starts with a square, which emerges from a flat surface with a flowing motion, transforming into a strikingly simple candleholder. A fascinating play of angular austerity and elegant energy which in a grouping of several SQUARE CANDLES can be particularly tantalising.

- ☆ suitable for candles from Ø 20 - 24 mm, max. 250 mm length
- stainless steel with high-quality powder coating
- 2 holding pins allow a safe stand of the candle
